

GRAND CRU —

Richebourg

This 2022 Richebourg speaks to us like a poem, a promise...and carries its name well “rich” bourg !

Its quite intense raspberry undertones is paired with a slight touch of garnet, all the while keeping its youthful pink highlights.

A little discreet on the first nosing, aromas of toasted bread, slightly smoked, reveal its ageing in the barrels. Next it takes the time to open, exuding notes of juicy red fruits, strawberry jam, blending extraordinarily well with soft notes of warm spices like cinnamon, nutmeg, and tobacco. After a few minutes of aeration,

a great complexity arrives! In addition to the initial aromas, delicate floral notes such as lilacs mix with sun-drenched black berries and a light presence of tertiary aromas like white truffle.

Its palate is in synch with its bouquet: round and with a fresh attack, transforming to dense and full-bodied. This wine, in its youth, presents a beautiful concentration with many melted tannins but also maintaining a firm grain deserving to be amplified with time. This 2022 Richebourg will easily keep its promises in the decade(s) to come.
